(2) Any person whose license has been suspended, revoked or restricted pursuant to this chapter, whether voluntarily or by action of the board, shall have the right to petition the board at reasonable intervals for reinstatement of such license. Such petition shall be made in writing and in the form prescribed by the board. Upon investigation and hearing, the board may, in its discretion, grant or deny such petition, or it may modify its original finding to reflect any circumstances which have changed sufficiently to warrant such modifications. The procedure for the reinstatement of a license that is suspended for being out of compliance with an order for support, as defined in Section 93-11-153, shall be governed by Section 93-11-157 or 93-11-163, as the case may be.

(3) Nothing herein shall be construed as barring criminal prosecutions for violation of this chapter where such violations are deemed as criminal offenses in other statutes of this state or of the United States.

(4) A monetary penalty assessed and levied under this section shall be paid to the board by the licensee upon the expiration of the period allowed for appeal of such penalties under Section 73-19-45, Mississippi Code of 1972, or may be paid sooner if the licensee elects. Money collected by the board under this section shall be deposited to the credit of the General Fund of the State Treasury.

(5) When payment of a monetary penalty assessed and levied by the board against a licensee in accordance with this section is not paid by the licensee when due under this section, the board shall have the power to institute and maintain proceedings in its name for enforcement of payment in the Chancery Court of the First Judicial District of Hinds County, Mississippi. When such proceedings are instituted, the board shall certify its order to the chancery court and the matter shall thereupon be heard in due course by the court, which shall review the order and make its determination thereon. The hearing on the matter may, in the discretion of the chancellor, be tried in vacation. A copy of the Notice of Appeal shall be served upon board counsel.

(2) If there is an appeal, such appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas. The chancery court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. The scope of review of the chancery court shall be limited to a review of the record made before the board to determine if the action of the board is unlawful for the reason that it was (a) not supported by substantial evidence, (b) arbitrary or capricious, (c) beyond the power of the board to make, or (d) in violation of some statutory or constitutional right of the appellant. The decision of the chancery court may be appealed to the Supreme Court in the manner provided by the rules of the Supreme Court.

(3) Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section.
